Although the winning of this game does not give the High School team a clear title to the school championship of the city, it has about as good a claim as any team with the exception of the Bainbridge eleven. The Southside boys have not played the Marshallites, and there is a strong probability of these teams getting together to decide the city title.

SOCCER GAME TO-MORROW

All-Star Teams Will Play Final Local Gaine of Season at Bird Park To-Morrow.

One of the best soccer games of the season is expected when two all-star teams clash at Byrd Park to-morrow afternoon in the final game of the local season. James I, Pindlay, a former professional soccer player in England, has selected the teams and, according to those who have watched secor closely this season, his selections have been wise. The teams will tions have been wise. The teams will be known as All Stars No. 1 and All

he known as All Stars No. 1 and All Stars No. 2.
While the game on Saturday will be the last of the seafgen locally it will not be the final one for a Richmond team, as a team picked from all of the soccer players in this city will journey to Washington on Sunday, March 18, to play a Washington team. The local team will be picked on Saturday following the game at light Park.

A REMEDY OF STERLING WORTH

Mr. Jones, Well Known Here. Says Tanlac Seemed to Rejuvenate His Entire System.

"My whole system seemed rejuve-nated before I had finished my second bottle of Tanlac, and already I feel benefited more than I expected to be," declared another Tanke inderser here in Richmond.

"Stomach troubles, headaches and kidney and bladder complaints had me going down hill fast. My digestion was poor 'all the time, and scarcely anything I ate agreed with me. Some dishes were entirely out of the question, while even the greatest care would not prevent an accumulation of gas forming on my stomach, which was a source of great discomfort to me and caused me much trouble," continued Clarence Jones, a well-known Richmond hardwood finisher.

"I had pains in the region of my

"I had pains in the region of my kidneys and felt stupid and dopey a great deal of the time. I had no energy to go about my work and felt bad generally when luckly for me I read the Tanlac testimonials in the papers and decided to take it.

"I am only on my second bottle of Tanlac, but the relief and benefit derived is equal to many weeks' treatment. I am feeling much better in several ways, and my whole system seems rejuvenated. I recommend it now because I know it to be a remedy of sterling worth, and one that will do just what it is advertised to do. I actually believe it will do more and actually believe it will do more and a trial will prove it in any one's case," declared Mr. Jones, 9 West Twentyninth Street.

To cleanse the system, tone up the vital organs of stomach, kidney and liver, and to bring back the old-time nergy, vitality, digestion and health try Tanlac. It cleanse, rebuilds and strengthens run down people in a most extraordinary manner. It will not harm the most delicate stomach. Is good for children or adults.
